

Facility Use Waiver due to COVID-19

Dear RYE Coordinator and/or Parent,

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. As a result, federal, state, and local governments and agencies recommend social distancing and have, in many locations, prohibited the size of groups of people meeting. We are doing everything we can to be compliant with all regulations and ensure your safety. We have put in place preventative measures to reduce the spread of COVID-19, but we cannot guarantee that you, your group or family members will not become infected with COVID-19.

By participating in a Mid-American Baptist Churches sponsored event being held at **The Church on Northland (First Baptist Church-Church of the Brethren) in Cedar Rapids, Iowa**, you agree to the following:

On behalf yourself and the participants of your group/organization, you hereby release, covenant not to sue, discharge, and hold harmless, **The Church on Northland (First Baptist Church-Church of the Brethren) in Cedar Rapids, Iowa and Mid-American Baptist Churches of Iowa and Minnesota**, its employees, agents, and representatives, of and from all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating to your participation in our programs, services or activities. You understand and agree that this release includes any claims based on the actions, omissions, or negligence of this organization, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any such program, service or activity.

For your own safety and the safety of others, please consult the latest CDC COVID-19 Guidelines prior to your arrival on our premises. At the discretion of the **R.Y.E. Leadership Team**, you and your group may be subjected to temperature checks while on the premises and if it is determined that you have a temperature of 100.4 or higher, you will be asked to leave immediately. Temperatures will be taken with a contactless thermometer.
